**JUSTIFICATION:** This emergency order will provide sport fishing opportunity for Alaska hatchery-produced king salmon in areas where they are expected to return in surplus and in accordance with the *District 6: Wrangell Narrows-Blind Slough Terminal Harvest Area Management Plan* (5 AAC 33.381).

In 2018, the projected Crystal Lake Hatchery king salmon return to the terminal area of Blind Slough/Wrangell Narrows is 2,600 fish. When the projected king salmon run to the terminal harvest area is at least 2,000 fish but less than 4,000 fish, the *District 6: Wrangell Narrows-Blind Slough Terminal Harvest Area Management Plan* (5 AAC 33.381) instructs the department to establish a bag and possession limit of two king salmon 28 inches or greater in length and two king salmon less than 28 inches in length from June 1 through July 31 within the boundaries of the Wrangell Narrows-Blind Slough Terminal Harvest Area.

Approximately 300 Crystal Lake Hatchery king salmon are expected to return to the City Creek release site in 2018. A small area has been defined to allow nearshore fishing opportunity while limiting the incidental harvest of Southeast Alaska wild stocks. No broodstock collection or cost recovery is conducted in this area.

The *Southeast Alaska King Salmon Management Plan* (5 AAC 47.055) authorizes the department to repeal the nonresident angler annual limit in hatchery terminal harvest areas.

**PREVIOUS EMERGENCY ORDERS AFFECTED:** This emergency order increases sport fishing opportunity for the Wrangell Narrows/Blind Slough THA and the City Creek release site previously affected by emergency order 1-KS-R-02-18 which established areas and times when king salmon may not be retained in the vicinity of Haines, Skagway, Juneau, Petersburg, Wrangell and Ketchikan. Emergency order 1-KS-R-02-18 remains otherwise unaffected.

**DISTRIBUTION:** The distribution list for this emergency order is on file at the Region 1 Office of Alaska Department of Fish and Game, Division of Sport Fish, P. O. Box 240020, Douglas, AK 99824, (907) 465-4270; and at the Petersburg Area Office, 16 Sing Lee Alley Petersburg, AK 99833-0667 (907) 772-3801; and, at the Wrangell Area Office, 215 Front Street, Wrangell, AK, (907) 874-3822.
